Pushing the Margins: Women of Color and Intersectionality in Lis Rose L. Chou, Annie Pho, 2018-06

Multiculturalism, Muslims and Citizenship Tariq Modood, Anna Triandafyllidou, Ricard Zapata-Barrero, 2006-04-18 This informative collection investigates the European dimension of multiculturalism and immigration. It argues that political theory discourse of multiculturalism and resulting EU policies assume an interpretation of liberalism developed chiefly from the American experience, and that this issue must be addressed as the European experience is entirely different (with the main influx being non-white, ethnic and religious groups challenging liberalism and existing notions of citizenship). Presenting a fresh and unique perspective of multiculturalism and citizenship in Western Europe today, this book offers a comparative series of national case studies by a diverse range of leading scholars that together provide a theoretical framework for the volume as a whole. The contributors investigate the extent to which we can talk about a common Europe-wide multiculturalism debate, or whether here too there is a Europe of two (or more) gears, in which some countries address multicultural claims swiftly whilst others lag behind, busy with more basic issues of immigrant acceptance and integration. Comprehensive and interdisciplinary, this text is essential reading for advanced undergraduates, researchers and policy makers interested in immigration, multiculturalism, European integration, Islamic studies and ethnicities.

I'm Off Then Hape Kerkeling, 2009-06-16 *I'm Off Then* has sold more than three million copies in Germany and has been translated into eleven languages. The number of pilgrims along the Camino has increased by 20 percent since the book was published. Hape Kerkeling's spiritual journey has struck a chord. Overweight, overworked, and disenchanted, Kerkeling was an unlikely candidate to make the arduous pilgrimage across the Pyrenees to the Spanish shrine of St. James, a 1,200-year-old journey undertaken by nearly 100,000 people every year. But he decided to get off the couch and do it anyway. Lonely and searching for meaning along the way, he began the journal that turned into this utterly frank, engaging book. Filled with

unforgettable characters, historic landscapes, and Kerkeling's self-deprecating humor, *I'm Off* Then is an inspiring travelogue, a publishing phenomenon, and a spiritual journey unlike any other.

Kennedy in Berlin Andreas W. Daum, 2008 *Kennedy in Berlin* examines one of the most spectacular political events of the twentieth century. It tells the story of the enthusiastically celebrated visit that US president John F. Kennedy paid to Berlin, the 'frontline city of the Cold War,' in June 1963. The president's tour resonated around the world, not least on account of Kennedy's famous declaration - 'Ich bin ein Berliner.' Andreas W. Daum sets Kennedy's visit against the background of the special relationship that had developed between the United States and West Berlin in the wake of World War II, and *Kennedy in Berlin* is an innovative contribution to the study of transatlantic relations, the Cold War, and the conduct of diplomacy in the age of mass media. Using a broad range of sources, this book sheds new light on the interplay between politics and culture in the modern era.
